

Shepherd of the Hill Preschool
Lockport, Illinois
2023-2024

Dear Parents,

Thank you for considering Shepherd of the Hill Preschool for the academic and social needs of your child. Looking for a preschool for your three or four year old is a difficult task. There are so many programs and centers to choose from. We have a well rounded program, where your child will develop academically and socially, and will learn sound Christian values and concepts through prayer and bible stories. Our curriculum meets Illinois Standards for Early Childhood Education and is approved by Head Start Programs.

2023-2024 SCHEDULE AND TUITION:

First day of class begins:

Tuesday, September 5th, 2023 (4 year olds)

Thursday, September 7th, 2023 (3 year olds)

Class	Days	Hours	Tuition
4 year olds	Monday, Tuesday, Wednesday	9:15 am-12:15 pm	\$220.00 /month
3 year olds	Thursday & Friday	9:15 am-11:45 am	\$175.00 / month
<i>A discount is offered for multiple sibling registrations – please contact the preschool office for details</i>			

For all preschool families, a parent handbook, which covers our policies and procedures, will be provided to you either by email or at parent orientation held in late August or early September.

Should you select Shepherd of the Hill as your preschool choice, we ask that you complete and return the attached forms (registration, consent/release form, and medical form) to the church office, along with a \$50 registration fee. **This fee and a completed registration form will ensure a spot in our program for the Fall.** All families who are registered by Spring 2023 will be sent a packet of information in July with the date of our parent orientation, events expected for the school year, and a supply list for each student. In addition to the \$50 registration fee, we also collect an **activity/party fee of \$25**, which is **due as a separate check by October 1st**.

Our program has four areas of learning (math & science, fine motor, language arts & gross motor), where each student typically spends approximately 30 minutes.

I understand how special and precious your children are, and welcome all questions and/or concerns that are on your mind. Please feel free to contact me at 815-838-0708 or by email at preschool@sbcglobal.net.

Sincerely,

Mrs. Karen Pedigo
Director
